## **LEADING THE CHARGE!**

### **A Message from Pastor Bob**

#### **Some Things Must Be Shared**

A Mercedes-Benz TV commercial shows one of their cars colliding with a concrete wall during a safety test. Someone then asks a Mercedes engineer why their company does not enforce their patent on their car's energy-absorbing car body. The Mercedes' design has been copied by almost every other car maker in the world; in spite of the fact that, they have an exclusive patent.

The engineer replies in a clipped German accent, "Because in life, some things are just too important not to share."

Wow! What a great statement. Some things are just too important not to share. As Christians, we believe that the Good News of Jesus Christ is one of those things that is too important not to share. No, that is an understatement. We believe that Jesus Christ **MUST** be shared with our friends, our neighbors, and the world.

The work of sharing the Good News of Jesus Christ, we call evangelism. The Christian faith has been advanced through the ages by people - those who spread the Good News of Jesus Christ, and those who are willing to take upon themselves the responsibility of being evangelists.

Collectively, we in the Greenfield Charge have taken upon ourselves the responsibility of being evangelists with the installation of the Video Recording System at Grace.

We now have the ability to record our Services at Grace and provide these Services to our shut-ins and to those that may have missed a Service. In addition, we will make these Services available to the general public and especially to young "Internet" people on our Web Site and on YouTube. We will also put our Services on Thumb Drives and distribute them in our evangelistic ministry.

I am excited about the possibilities – many that we are just beginning to explore. I encourage your feedback and suggestions to make our ministry successful in sharing the Good News of Jesus Christ.

#### **The Great Commission Matthew 28:18-20 NKJV**

And Jesus came and spoke to them, saying, "All authority has been given to Me in heaven and on earth. Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age." Amen.

## *Friends and Family of Jesus*

Do you count yourself as a Friend and/or Family of Jesus?

What characteristics make up a Friend of Jesus? Do you possess any of these traits or qualities?

The Bible Study group, this year, will attempt to go in-depth and explore the people who made up the inner and outer circles of Jesus. The New Testament Bible characters have much to tell us about how they saw Jesus. We will then proceed to reflect on how today, we see Jesus.

Everyone is welcome. Feel free to attend in any or all gatherings. Each session is pretty much independent of the others.

We meet the 2<sup>nd</sup> and 4<sup>th</sup> Tuesday of each month from April 25<sup>th</sup> – Oct 24<sup>th</sup>.\*

### Gratitude

Gratitude unlocks the fullness of life;  
It turns what we have into enough, and more;  
It turns denial into acceptance,  
Chaos to order, confusion to clarity;  
It can turn a meal into a feast,  
A house into a home, a stranger into a friend.

Gratitude makes sense of our past,  
brings peace for today, and creates a vision for tomorrow.

~

I always thank my God as I remember you in my prayers.

Reported by Pastor Bob

Leo and I will complete our second Nose Work Class on April 4. Leo is good at finding the “birch” scent because he gets food treats when he finds it. In the next class, we will add additional scents and work in various outside locations. No bomb scents. I did read that both, The University of Pittsburgh and The Pittsburgh International Airport use German Short-hair Pointers as their Drug/Bomb Sniffing dogs. Maybe, Leo has found his calling. Nancy and Leo continue with Obedience classes. They are quite good at Obedience.

Make-A-Wish of Greater PA and WV sent the Charge a "thank-you" for the donation of \$160 which was collected at Christmas Eve Service. The donation was used to help a young girl by the name of Megan who has been battling Ewing's sarcoma for over a year. Megan wished for a stress-free, fun-filled shopping spree with her parents and sisters, and two best friends.

Megan loved being the center of attention as she arrived at the mall in style. She exited the shiny limousine and "felt like a movie star!" The store clerks were expecting her and welcomed her with balloons and banners, and in one particular store, a specially-decorated dressing room. At one point, Megan commented to her mother that she couldn't recall a time "in my whole life when I was so happy!"

Thank you for your support of the Make-A-Wish mission and for helping Megan on her life's journey.

**JOINT CONSISTORY MEETING MINUTES cont...**

New Business/Pastor's Concerns:

1. Pastor Bob reported that we need to have job descriptions and contracts for all paid employees. There are currently only contracts for Pastor Bob and Mark. Pastor Bob is working on contracts for Rick Walter and Robin Pozgar.
2. Pastor Bob reported that the cost of the Christmas Dinner was \$320.00. He proposed that the jointure pay for the 2017 Christmas dinner rather than charging parishioners. He hopes that this will encourage more participation. Jeffrey Farber moved and Robin Pozgar seconded the motion that the jointure will pay for the 2017 Christmas dinner up to a cost of \$500.00. Motion carried.
3. Pastor Bob received an additional proposal for the audio recording project that the Technology Committee is pursuing. The original proposal from Galaxy was the cost and installation of a recorder at Grace at a cost of \$803.49. The cost of the computer tablets to be provided to shut-ins would be an additional cost for which each church would be responsible. Pastor Bob presented a proposal from Soaring Eagle Productions. This would provide us with a camera, audio recorder, and eight tablets at a cost of \$3,000.00. Pastor Bob will also apply for \$1,000.00 from the Helsel Christian Education Fund to help with costs. Before we decide to proceed with either proposal Don Fair, owner of Soaring Eagle will come and record a service and put it on a tablet for us to view. Pastor Bob asked approval to move forward. John Burket moved and Jonathan Furry seconded a motion to allow Pastor Bob to have Don come and record a service. Motion carried with 2 opposed. Another meeting would be held later to vote on accepting either proposal.
4. There was a discussion regarding the replacement of the existing electric hot water heater with a gas indirect-fire water heater using the existing boiler at the parsonage. The proposal from Knisely's is \$3,295.00 which includes the new water heater & installation. After some discussion, John Burket moved and Donna Glass seconded the motion to pursue the replacement by advertising for additional bids before making a decision. Motion carried with one opposed.
5. Robin Pozgar reported that the photocopier needs maintenance. Since purchasing the laser printer we no longer have a maintenance contract. Monte Cowher moved and Sally Barnes seconded the motion to have the copier serviced. Rick will call for service & is currently looking into finding cheaper ink cartridges.

The next meeting will be held on May 7, 2017. Jeffrey Farber moved and Monte Cowher seconded the motion to adjourn the meeting.
